"Section 662. COUNTY AND CITY CENTRAL COMMITTEEMEN, HOW ELECTED. There shall be elected by each political party, subject to the provisions of this law, at said primary nominating election, two committeemen, one of which shall be a man and one of which shall be a woman, for each election precinct, who shall be residents of such precincts. Any elector may be placed in nomination for committeeman of any precinct by a writing so stating, signed by such elector, and filed in the office of the county clerk within the time required in this act for the filing of petitions naming individuals as candidates for nomination at the regular biennial primary election. The names of the various candidates for precinct committeemen of each political party shall be printed on the ticket of the same in the same manner as other candidates and the voter shall express his choice among them in like manner as for such other candidates. The committeemen thus elected shall be the representatives of their political party in and for such precinct in all Ward or subdivision committees that may be formed. The committeemen elected in each precinct in each county shall constitute the County Central Committee of each of said respective political parties. Those committeemen who reside within the limits of any incorporated city or town shall constitute ex-officio the City Central Committee of each of said respective political parties and shall have the same power and jurisdiction as to the business of their several parties in such city matters that the county committees have in county matters, save only the power to fill vacancies in said committee, which power is vested in the County Central Committee. Each committeeman shall hold such position for the term of two years from the date of the first meeting of said committee immediately following their election. In case of a vacancy happening, on account of death, resignation, removal from the precinct, or otherwise, the remaining members of said county committee may select a committeeman to fill the vacancy and he shall be a resident of the precinct in which the vacancy occurred. Said County and City Central Committees shall have the power to make rules and regulations for the government of their respective political parties in each county and city, not inconsistent with any of the provisions of this law, and to elect two county members of the State Central Committee, one of which shall be a man and one of which shall be a woman, and the members of the Congressional Committee, and said committee shall have the same power to fill all vacancies and make rules in their jurisdiction that the county committees have to fill county vacancies and to make rules. Said County and City Central Committee shall have the power to make nomination to fill vacancies occurring among the candidates of their respective parties nominated for city or county offices by the primary nominating election where such vacancy is caused by death, **resignation** or removal from the electoral district, **but not otherwise**. Said committees shall meet and organize by electing a chairman and secretary within thirty days after the candidates of their respective political parties shall have been nominated. They may select managing or executive committees and authorize such sub-committees to exercise any and all powers conferred upon the County, City, State and Congressional Central Committees respectively by this law. The chairman of the County Central Committee shall call said central committee meeting and not less than fifteen days before the date of said central committee meeting shall publish said call in a newspaper published at the county seat and shall mail a copy of the call, enclosing a blank proxy, to each precinct committeeman. No proxy shall be recognized unless held by an elector of the precinct of the committeeman executing the same." . . .

. as amended by Chapter 84, Laws of 1939.

CHAPTER 81

LAWS OF 1939

"Section 678. Except as in this chapter otherwise provided, it shall be the duty of the county clerk of each county to provide printed ballots for every election for public officers in which electors or any of the electors within the county participate, and to cause to be printed on the ballot the names of all candidates, including candidates for Chief Justice and Associate Justices of the Supreme Court and judges of the district courts, whose names have been certified to, or filed with the county clerk, in the manner provided in this chapter. Ballots other than those printed by the respective county clerks, according to the provisions of this chapter, must not be cast or counted in any election. Any elector may write or paste on his ballot the name of any person for whom he desires to vote for any office, but must mark the same as provided in Section 696, and when a ballot is so marked it must be counted the same as though the name is printed upon the ballot and marked by the voter. Any voter may take with him into the polling place any printed or written memorandum or paper to assist him in marking or preparing his ballot except as otherwise provided in the chapter."

"Section 681. Ballots for all general elections prepared under the provisions of this chapter must be white in color and of a good quality of paper and the names must be printed thereon in black ink. The ballots used in any one county must be uniform in size and every ballot must contain the name of every candidate whose nomination for any special office specified in the ballot has been certified or filed according to the provisions of law and no other names, except that the names of candidates for President and Vice-President of the United States shall appear on the ballot as provided for by Section 813 of the Revised Codes of Montana, 1935."

(A) The name of each candidate nominated shall be printed upon the ballot in but one place and there shall be added after and directly opposite to the name of each candidate nominated, the party or political designation contained in the certificate or nomination of such candidate in not more than three (3) words, except that the political designation of electors for President and Vice-President of the United States shall be opposite the whole list thereof, and the names of candidates for Chief Justice, Associate Justices, and District Court Judges shall each be followed by the following words directly underneath the name of the candidate: "Nominated without party designation". It is provided, however, that whenever any person is nominated for the same office by more than one party the designation of the party which first nominated him shall be placed opposite his name unless he declines in writing, one or more of such nomination, or by written election indicates the party designation which he desires printed opposite his name; or if he is nominated by more than one party at the same time he shall within the time fixed by law for filing certificates of nomination, file with the officer with whom his certificate of nomination is required to be filed, a written election indicating the party designation which he desires printed opposite his name, and it shall be so printed. If he shall fail or neglect to file such an election no party designation shall be placed opposite his name.

(B) The names of all candidates shall be arranged alphabetically according to surnames under the appropriate title of the respective offices. It is provided, however, that, while all of the candidates for the particular office shall remain together in the same box, yet the candidates of the two major parties shall appear on the ballot before and above the candidates of the minor parties and independent

candidates. For the purpose of designating the candidates of the two major parties, they shall be those candidates of the two parties whose candidates for governor, excluding independent candidates, have been either first or second, (by receiving the highest or next highest number of votes cast for the office of governor at the particular election) the greatest number of times at the next preceding four (4) general elections. In case of a tie in the number of first or second places, the determination shall be made by going back enough preceding elections to break the tie and no farther. All other candidates shall be designated as either independent candidates or as belonging to minor parties. When two or more persons are candidates for election or the same office, including presidential and vice-presidential candidates, it shall be the duty of the county clerk in each of the counties of the state to divide the ballot forms provided by the law for the county, into sets so as to provide a substantial rotation of the names of the respective candidates as follows:

He shall divide the whole number of ballot forms for the county into sets equal in number to the greatest number of candidates for any office, and he shall so arrange said sets that the names of the candidates shall, beginning with a form arranged in alphabetical order, (for the purposes of rotation of presidential and vice-presidential candidates, the office of president and vice-president, together with presidential electors shall be considered as a group and alphabetized under the name of the candidate for president), be rotated by removing one name from the top of the list for each office and placing said name or number at the bottom of that list for each successive set of ballot forms; provided, however, that no more than one of said sets shall be used in printing the ballot for use in any one precinct, and that all ballots furnished for use in any precinct shall be of one form and identical in every respect. It is further provided that candidates of the two major parties as hereinabove defined shall be rotated as one group and the candidates of the minor parties and independent candidates shall be rotated as another group so that the candidates of the two major parties for a particular office shall appear on the ballot before and above any candidates of the minor parties or independent candidates.

(C) Each ballot shall contain at the top the stub as provided by Section 684 of the Revised Codes and directly underneath the perforated line shall be the following words in bold face type, "VOTE IN ALL COLUMNS". Each ballot shall contain two (2), and not more than two (2) columns for the election of state, national, county and township officers. The first two columns and no others shall be used for the election of officers. Provided, however, that a third column and as many additional columns as may be necessary shall be used for constitutional amendments, and initiative and referendum measures. In the first column and the left, which shall be designated at the head with the words, "state and national", in large bold face type, shall be listed all candidates for state and national offices, including Supreme Court justices, and district court judges, and in the second column, which shall be designated at the head with the words, "county and township", in large bold face type, shall be listed all candidates for the legislative assembly, county and township offices. The third column and any additional column shall be designated at the head with the words, "initiatives, referendums, and constitutional amendments", in large bold face type, and listed thereunder shall be all proposed constitutional amendments and measures to be voted on by the people at such election. In case there are no such measures, this column shall be eliminated. The columns shall be separated by two straight lines at least one-half an inch apart.

(D) At the bottom of the first column, or the column to the left, there shall be placed the following words, "vote for county and township offices in the next column". At the bottom of the second column, if there be any initiatives, referendums or constitutional amendments, and every column except the last column, there shall be the following words, "vote on initiatives, referendums and constitutional amendments in the next column".

(E) The order of the placement of the offices on the ballot in the first column, or to the left, designated "state and national", shall be as follows: "president and vice-president, together with the presidential electors; United States senator; United States representative in Congress; governor; lieutenant governor; secretary of state; attorney general; state treasurer; state auditor; railroad and public service commissioners; state superintendent of public instruction; clerk of the supreme court; chief justice of the supreme court; associate justice or justices of the supreme court; district court judges"; provided, however, that in the years in which any of such offices are not to be elected, such offices shall not be designated, but the order of those offices to be filled shall maintain their relative positions as herein provided.

In the second column, designated, "county and township", the following order of placement shall be observed: "state senator; member or members of the house of representatives; clerk of district court; county commissioner; county clerk and recorder; sheriff; county attorney; county auditor". Such other offices to be elected shall be placed following the foregoing in the order deemed most appropriate by the county clerk. In the third column constitutional amendments shall come first with referendum and initiative measures following.

(F) In case of a short term and a long term election for the same office, the long term office shall precede the short term. The ballots shall be so printed as to give each voter a clear opportunity to designate his choice of candidates by a cross mark, (X) in a square at the left of the name of each candidate. Above each group of candidates for each office shall be printed the words designating the particular office in bold face capital letters and directly underneath the words, "vote for" followed by the number to be elected to such office. As nearly as possible the ballot shall be in the following form: (Stub hereinafter provided for by Section 684.) as amended by Chapter 81, Laws of 1939.

Section 2. METHOD OF ESTABLISHMENT. County high school boards or district high school boards operating accredited schools shall have authority to establish and maintain in such schools in the manner provided in this act, a department of junior college work, to consist of not more than two years work beyond the four year high school course. Whenever a county high school board or a district high school board operating an accredited high school shall receive a petition in writing signed by not less than twenty-five per cent of the registered voters of the county, in case the petition be filed with the county high school board, or by not less than twenty-five per cent of the registered voters of the school district in case such petition is filed with a district school board, requesting the

establishment in such school of a department of junior college work, the board shall spread said petition upon its minutes. If said petition is found by the board to be signed by the requisite number of qualified voters, as disclosed by the registration lists for the last preceding election, the board shall not later than its next regular meeting, communicate to the State Superintendent of Public Instruction the fact of the filing of such petition together with such pertinent facts and information as the board may have regarding the desirability of establishing such junior college department, together with the recommendations of the board relative to said matter. The board may also on its own initiative, and without the filing of any petition, adopt and spread upon its minutes a resolution requesting the establishment of such junior college and shall submit the same to the State Superintendent of Public Instruction for his approval.

Section 3. APPROVAL OF SUPERINTENDENT OF PUBLIC INSTRUCTION. The State Superintendent of Public Instruction shall consider all such petitions submitted by county or district high school boards and may, if he deem it advisable, conduct an independent investigation with a view to determining the desirability of granting such petition. If the Superintendent of Public Instruction shall approve of the granting of such petition, he shall notify the county or district high school boards of his approval of the petition. The county or district high school board shall thereupon submit to the registered voters of the county or district the question whether or not a junior college shall be established in their said county or district high school.

Section 4. ELECTION. In any election held under the terms of this act, all qualified voters of the county or district shall be entitled to vote. All such elections shall be called, noticed, held, canvassed and returned in the manner provided by law for the submission in such county or school district of the question of a bond issue for the purpose of building, enlarging, altering or acquiring by purchase a school house and the purchase of necessary lands therefor.

Section 5. ESTABLISHMENT OF JUNIOR COLLEGE UPON APPROVAL OF ELECTORS. If a majority of the votes cast at any election provided for in this act be in favor of the establishment of a junior college, the county or district high school board shall proceed to establish such junior college in the following manner. Not later than September first of the first year in which such junior college is proposed to be established, the county or district high school board shall apply to the Superintendent of Public Instruction for permission to open such junior college, and shall accompany such application with a full statement of the curricula to be maintained and an application on behalf of the high school to be classified as a junior college. If the State Superintendent of Public Instruction approves the application, he shall so notify the State Board of Education, which shall finally approve or disapprove of the establishment of such proposed junior college, and shall promptly notify the county or district high school board of its action. Upon receiving the final approval of the State Board of Education, the county or district high school boards shall have authority to proceed with the establishment and operation of such junior college."
